RELEASE/CONSENT FORM

ATHLETIC TRANSPORTATION POLICIES

Bible Baptist Christian Academy will provide transportation to athletic events as designated by the Athletic Director. Students may be driven by parents to games, matches, or meets only when transportation IS NOT provided by the school. In such cases, the school is not liable for the actions of the driver. Parents will be notified if transportation will not be provided by the school.

When Bible Baptist Christian Academy provides school bus/van transportation to an event, the following policies will apply:

1. All team members are to ride the bus to and from the game.
2. If a team member misses the bus, a parent may drive them to the game. The student will be subject to discipline by the coach.
3. Radios/cell phones with headphones are **not** allowed on the bus on athletic trips unless granted permission is received from the coach. This permission **can be revoked** at any time at the discretion of the coach. Radios/cell phones without headphones are allowed on the bus on athletic trips. If at any time, questionable material is listened to or viewed that is against the policies, standards, or provision of Bible Baptist Christian Academy, technology privileges **will be revoked**.
4. If a parent wants to take their own student home from the game that parent must sign the Parent Release form. That parent may not sign out another student without written permission from the other parent. The Parent Release form states: "Parent Release Signature indicates that the student will be riding with his/her parent and relieves Bible Baptist Christian Academy of all liability concerning their son or daughter. Parents cannot give authorization for students other than their own."

When Bible Baptist Christian Academy does not provide school bus transportation to an athletic event, the following policies apply:

1. The coach will inform team members, and parents that students must find their own transportation to the event. By thus informing parents and students that the team will MEET at the game site, Bible Baptist Christian Academy is relieved of any legal responsibility for the actions of each student driver.
2. Team conduct rules apply at all times when students are driving themselves, and students are subject to discipline when necessary.

Guidelines for Food & Beverage on Bible Baptist Christian Academy Trips:

We want you to enjoy your trip and have permission to eat or drink on you way. We also want clean buses. So, please observe the following guidelines:

- It's common sense. Be courteous! Don't treat the bus like a garbage truck!
- Drinks must be in cans, plastic bottles, or juice boxes. No soft-sided containers like fountain drinks from Parker's or McDonald's.
- Bring food that is not messy. Popcorn, chips, sunflower seeds, and pistachio nuts, for example, are very messy.
- Please put paper and garbage in the proper container on the bus. Pick up after yourself and other teammates.
- If the bus comes back trashed, the team responsible will lose food and drink privileges in the future.
