Autumn Updates from the Den

October has brought unexpected challenges to our community, but it has also shown our resilience and strength. After enduring the aftermath of Hurricane Helene, we are grateful to be back together at BBCA. While many around us remain in recovery, our students, staff, and families have demonstrated incredible perseverance and support for one another during this time.

Despite these hurdles, we are committed to continuing the momentum of the school year. This month still holds many exciting opportunities for growth, celebration, and connection. From honoring our leadership during National Principals Month to promoting healthy choices with Red Ribbon Week, October promises to be filled with learning and community spirit.

We will also be distributing first-quarter report cards soon, marking an important academic milestone. Additionally, our PTO is gearing up for key fundraisers that will directly support programs for our students throughout the year.

Please take a moment to review all the updated events and key dates. Your involvement continues to make a lasting impact, and together, we are building a strong foundation for the academic and spiritual growth of our students.

Key Updates & Reminders for BBCA Families

Fall Break: Because we were able to return to school immediately following Hurricane Helene, the academy will still be able to enjoy Fall Break from **October 14-18!** The daycare will operate under normal hours during this time. We hope everyone has a wonderful break and we'll see students back in class on Oct. 21! P.S. *Remember to place lunch orders before 8:30 am Monday, Oct. 21.*

The 4H Club is collecting pop tops from soda cans to benefit the Ronald McDonald House in Savannah! These pop tops help support families with sick children by covering some of their stay and providing essential resources. We encourage all families to join us in this effort by saving your pop tops and sending them to school with your student. Together, we can make a big difference for those in need.

Dual Enrollment: Upperclassmen and their parents/guardians interested in dual enrollment for college courses must attend a mandatory meeting on October 21 at 6 p.m. This session will cover important details about the program and enrollment process.

Thank you to everyone who joined us for Percentage Night at Georgia Ice! Your support means so much to us!
